**Note of HUFF (HOUGH) Margaret**

The myth goes that John, a son of Sir Gideon Ison, wished to marry out of his station and his father refused so he married her against his father's will and sailed for America. On some geneologies there is a James, Mary, Christian, William, and Fredrick but I haven't found definite references yet.

**Family Note**

Geneology records claim a William, Mary, Mildred, and Felix Corr as part of this family. I only find records related to Mildred and Mary for marriages with no definite link. I have included them but birth dates are not confirmed.

  - 4 children: Schuyler, Mahala, Jonathan and Malinda
7. **ISON Ira N.** (~ 1801-)
  - *DAVIDSON Polly*
  - Cynthia, Elizabeth, Charles, George, Silas, Robert D

**Family Note**

On same 1830 census rolls for Scott County Virginia were the following Isons: Isaac born 1781-1790, George (son of Gideon) born 1801-1810, Ira N born 1801-1810 (1850 census indicates birth 1811), Gideon born 1781-1790, and Charles. Possible that this Isaac was father of Isaac Sterling and Charles was grandfather with sons Gideon and Ira.

**Note of ISON Charles**

This based on web genealogy but it is shaky. Didn't include Joshua Ison because he did not show up on any Federal census from 1790. Ira N. may be from a different parent as his birth late unless Jane was much younger than Charles. The names of the Ison family are so oft repeated that it makes it difficult to confirm without precise birth dates.

**Family Note**

Many Overstreets lived in Kentucky during this time and little info is definitive regarding birth parents. There is clear evidence of Mitchell Ramsey Overstreet belonging to this mother and father based on death records. James R is probable. No others could be confirmed.

Some records show that Francis married originally William Corr who died and then married John though no diffinitive evidence of William Corr exists.

**Note of CORR John**

All records of King and Queens County, Virginia were destroyed in 1864 during the civil war. Records recovered and recorded in Virginia colonial Abstracts Vol. 2, King and Queen County: Records Concerning 18th century persons. Consequently, unless specifically sourced, dates are approximate.

6. **OVERSTREET Gabriel M.** (1828-1913)
  - *KELSO Mollie*
  - 5 children: Walter, James, Claudius, Rosa and Daisy

**Family Note**

Family genealogies include the following for which I found no record so far: Virginia, Elizabeth Francis, Augusta, Susan, Catherine Zuelda. Also from census records that seem confused, I believe their child James Newton died in the civil war and then Francis Howard married John Mitchell. 1850 census: Oldham County, KY, Schuyler Ison and Mary Ann lived near by
